

This technical drawing illustrates the internal dovetail joint of a two-drawer unit. It shows two drawers, one partially pulled out from the other. The drawers are connected by dovetail pins and a central vertical support structure. The drawing highlights the dovetail joint at the front of the drawers and the dovetail pins that secure the drawers to the cabinet frame.

Technical drawing of a cable tray assembly. The top view shows a cross-section of the tray with a central channel and side flanges. The bottom view shows the tray from below, highlighting the mounting holes and the internal structure. The drawing is a line drawing with no shading.
